### FACTS and FANCIES

#### INDIGNANT OVER ACTION OF HIGHWAY DEPARTMENT

When Lincoln County's learned jurist, Judge Thomas J. Darby, handed down his decision in the El Rancho Casablanca case, little did he know what a fine reception it would receive from the general public, the taxpayers, in all parts of the Province, but that judgment has been received by the general public with wide open arms.

It has come to a pretty state of affairs when a government department can tell a citizen, or a group of citizens, that they cannot do business despite the fact that that individual, or group of individuals, have thousands upon thousands of dollars tied up in that particular business.

That is just the case here. El Rancho Casablanca owner, Miss Mildred Dixon, has over \$75,000 invested. Her next door neighbour, W. O. Ullman, has a like amount tied up in Cobblestone Lodge. A total investment of \$150,000. Now why should any department of the Ontario Government, or one of its hirelings say you cannot advertise those businesses by the erection of signs. Or, in other words, let the travelling public pass right by the door without knowing that you are in business, and at the same time the travelling public, particularly the American tourist, is on the look out for your particular type of business.

This situation does not apply solely to the two establishments named above, but it applies to Lakeside Cabins, where Edward and Alice Hand have over \$25,000 invested in high class tourist cabins. It also applies to dozens of other places in the Niagara district.

When you close these places down, or cause them to close down because they are not allowed to tell the travelling public that they exist, you not only cause the operators of the places to lose their investment, but you cause the merchants and other concerns that supply them with foodstuffs and other products, to suffer a loss of revenue. And all this for what?

You also cause the municipalities in which they are located to lose heavy taxation. Take El Rancho Casablanca and Cobblestone Lodge for instance. It is not too many years back that the property where they are located was just a hayfield, and a non-producing hayfield at that. The Township of North Grimsby was getting only a few measly dollars in taxes. Today Miss Dixon and Mr. Ullman are heavy taxpayers in the township. If they are not allowed to do business, who loses? The Township of North Grimsby.

That people in other municipalities outside of Grimsby are interested in the fact that the Department of Highways is taking public funds to plant trees in order to screen signboards of legitimate business places where they have been unable to remove them legally, or illegally, is exemplified by the following letter which appeared in the Letters To The Editor column of The Hamilton Spectator on Wednesday night last. Here's the letter:

"The other afternoon, I saw what I be-

lieve to be evidence of a malicious act of vengeance perpetrated by some member of the Department of Highways against a taxpayer of this province. In doing so, I think it is fair to assume that he used government equipment and public funds."

"I am so indignant about this that I feel impelled to write to you at some length. I refer to the planting of a large number of poplar trees along the Queen Elizabeth Way in such a manner that a restaurant will eventually be completely hidden from passing motorists. This may materially interfere with the ability of the proprietor to earn a living."

"As I make frequent trips from Hamilton to St. Catharines along this highway, I know that similar planting of poplar trees between these points has not been done for any reason whatsoever. I have also noticed that there has been no planting of other trees or shrubs along this piece of road for several years, although such an expenditure of tax funds might well be justified on the grounds of beautifying the highway or from the standpoint of increased safety."

"The poplar trees referred to were planted immediately following a ruling handed down by Mr. Justice Thomas J. Darby in a dispute between the restaurant proprietor and an employee of the Department of Highways. This coincidence and the absence of such planting elsewhere on this road strongly suggest that their purpose was one of revenge."

"I am not primarily concerned with the personalities involved nor with the question of what signs should be permitted on the Queen Elizabeth Way. However, I am deeply concerned that an employee of an important government department can avenge himself on another citizen by the use of his position, if such is the case, by interfering with lawful business."

"During the present term of office of the Conservative Party in Ontario, I have had the privilege of numbering among my friends a number of Ministers of this and that previous Cabinet. I feel quite convinced that none of them would tolerate such a misuse of public funds and such inexcusable high-handedness."

"If this action has been committed by some minor official, as I firmly believe, without higher authority, some remedial action by the department should be taken immediately. If this man received instructions or permission for his actions from some senior official in the department, which I find impossible to believe, it would be necessary for the Minister to make sure that such arbitrary and undemocratic behaviour cannot occur in the future."

"If I am correct in my belief that some minor official has used public funds in a personal vendetta, it becomes of grave import to every freedom-loving citizen unless prompt steps are taken by the department concerned to correct the injustice done."

A Doctor.

#### LINCOLN COUNTY FARMERS PAY HOMAGE TO ERNEST F. NEFF

Agricultural Representative Retires After Quarter Of A Century Of Diligent Service In The Interests Of The Farmers Of The Niagara Peninsula.

Retired after close to a quarter of a century of "diligent service as Lincoln County's Agricultural Representative," Ernest F. Neff received high honours and sincere tribute at the annual meeting of the Lincoln County Federation of Agriculture in Grimsby Friday afternoon.

More than 200 farmers and their wives filled the Oak Room in the Village Inn for their noonday banquet dedicated in honour of the representative who retired Sept. 6. From St. Catharines, from all parts of the County, and from further

#### POLICE FIND MAN IN DANGER OF FREEZING

Peter Matys Of Grimsby Found In Back Seat Of Car After It Had Left Road.

Anthony Matys, 34, of Grimsby may have frozen to death had he not been rescued by a passing farmer who immediately called Provincial Police. Matys' car, apparently abandoned was discovered at 2 a.m. on Saturday night, in a deep ditch west of St. Catharines, on No. 8 Highway.

Police found Matys unconscious in the rear seat of his auto, and suffering undetermined injuries. He was rushed to St. Catharines Hospital in an ambulance. Later, Matys told police that he had been

#### PIE-EATING JUVENILE RUNS FOUL OF POLICE

Young Lad Robs Same House Three Times At Grasse—Helped Himself To The Pie.

A burning desire to eat pie, was actually instrumental in the ultimate apprehension by Chief of Police William James and Constable Calvin McKenzie, of a fourteen-year-old Saltfleet Township boy who is now under investigation by Provincial Police, led by investigating officer, Frank Cooney.

The juvenile entered a home at Grasse, not once but three times over a three week interval. Each time he stole money that the wife of the Grasse farmer had saved this summer picking fruit. The first time, the boy took \$10 all in American currency. He also ate up the biggest portion of a pie. The second time he entered the home, he took \$20 in Canadian currency, and ate some more pie. His previous escapades proving

#### THE INDEPENDENT EDITOR CONGRATULATES THE VICTOR

Pictured above is the famous El Rancho Casablanca sign that has been a controversial question in the court of justice, and over which Judge Thomas J. Darby handed down a decision last week. Shown in front of the sign is Miss Mildred V. Dixon, owner of El Rancho Casablanca receiving congratulations from J. Orton Livingston, Editor of The Independent, upon the game fight that she

has put up, and upon standing upon her rights as a taxpayer citizen. For over five years, The Independent has fought the Ontario Department of Highways over this removal of signs question, and will continue to fight them for the benefit of all the citizens of the Fruit Belt. —Photo by Don Sinclair. — Cut courtesy St. Catharines Standard.

#### MUNICIPAL OFFICIALS FAIL TO REACH WATER AGREEMENT

##### NECESSARY TO CURB DICTATORIAL ATTITUDE

Over-Zealous Authority Is Rebuked By Decision Handed Down By County Judge Thomas J. Darby.

(An editorial in the Port Colborne Welland Tribune)

History of the ages has shown there is a limit to which free men will submit to unwarranted dictation by those who, for the time being, happen to be in a position of authority.

A case in point—and it was a woman this time who had the temerity to fight for what she considered her rights—was that of Miss Mildred Dixon of Grimsby, who was an award in her favour from Judge Thomas J. Darby.

Miss Dixon had inquired at the offices of the Provincial Department of Highways regarding the erection of a sign for her restaurant on the Queen Elizabeth Way. She testified she was told by a stenographer that permits along the Queen Elizabeth Way were not being issued, but later an official visited her at her place of business, told her where to place the sign and that form of approval would be forthcoming. The ap-

(Continued from Page 3)

Ontario Municipal Board Will Now Be Asked To Set A Fair Price — Commission Offered To Set Price At 26 Cents A 1,000 Gallons For First 25 Million Gallons.

Following a suggestion made by the Ontario Municipal Board, members of North Grimsby Township Council and the Grimsby Water Commission met in an effort to reach an amicable settlement on the price of water. They failed to reach a settlement, however, and the Municipal Board will be asked to set the price.

For some time, the local Water Commission has been charging the township a rate of 26 cents per 1,000 gallons, a rate considerably higher than that charged large consumers in town. Township asked the Municipal Board to set a price and a meeting was held recently at St. Catharines. At that meeting, the town solicitor questioned the right of the Municipal Board to take such action and the board's suggestion that the two municipalities "try to get together on a price."

At the recent meeting, the Water Commission agreed to drop its price to 26 cents per 1,000 gallons for the first 25 million and 22 cents for the balance, this price to be

(Continued on Page 3)

#### POST OFFICE RUSH STARTS

Grimsby Office Is Now A Completely Staff Office Which Means That All Employees Are Civil Servants —Last Week 30,213 Pieces Of Mail Handled—Dates Of Mailing For Sure Delivery Before Christmas Announced.

During the past ten years the volume of business at the Grimsby Post Office has been on the up-grade, and as a result of this trend the office was made a staff office this week. This means that all the local staff will come under the Civil Service.

Last week, reports Postmaster Len Bromley, the Grimsby office handled 30,213 pieces of mail, and this of course is but the start of the annual Christmas rush.

The public are urged to get ready for the Christmas mailing season, and they can render themselves and the Post Office staff a great service by mailing early.

An all time high in volume of business is expected this year. Dates for mailing have been established as follows:

Mail, and especially parcels for the U.S.A. (allowing for Customs clearance) should be mailed before

(Continued on Page 3)

#### WELL KNOWN RESIDENT PASSED AWAY SATURDAY

Lt.-Colonel Ramsay, O.B.E., D.S.O., Had Supervised Many Large Construction Projects In Past 40 Years.

Prominent in railway, highway and power development projects across Canada for the last 40 years Lt.-Col. Kenneth Alan Ramsay, O.B.E., D.S.O., died at his home in Grimsby on Saturday.

In his 60th year, he was born in Hamilton, a son of the late Alex and Annie Ramsay. He received his early education in Hamilton and later graduated from Trinity College School, Port Hope, and the Royal Military College, Kingston.

He served overseas throughout the First World War with the Canadian Overseas Railway Construction Corps, being awarded both the O.B.E. and the D.S.O. in recognition of the work he accomplished.

(Continued on Page 3)

#### COBBLESTONE LODGE WILL BE SCREENED

Hoisted into prominence by the planting of a long row of poplar trees was the property of Mr. W. O. Ullman, manager of Cobblestone Lodge which is located right next to El Rancho Casablanca. Ullman testified in Miss Dixon's behalf in the recent court case pertaining to the erection of signs, and in the part of his testimony stated that Wrightman of the Department of Highways told him "that he would shove her teeth (Miss Dixon's) right down her throat if she caused any more trouble. Cobblestone Lodge will be screened by the trees just as effectively as will El Rancho Casablanca. Ullman told The Independent that his business had been very successful this summer, having entered to over two thousand tourists. Both Mr. Ullman and Miss Dixon have signified their intention of not giving up without a fight. They are reported to be backed up by other unnamed tourist resort operators in the district.

# RIDE 'EM PEACH KINGS

## PORT COLBORNE MERCHANTS COME TO TOWN FRIDAY NIGHT

# Facts • And • Fancies

FRANK FAIRBORN, JR.

True independence is never afraid of appearing dependent, and true dependence leads always to the most perfect independence.

## TREES WON'T CURE IT

Ontario's Department of Highways was sharply reproved by a county court judge the other day for high-handed action by employees in removing a sign flanking the Queen Elizabeth Way.

According to the defendant the sign — advertising a restaurant — was cut down because it did not conform to regulations, but the plaintiff was upheld by the court in claiming damages for trespassing.

This much-discussed case has now led to another tempest. For along that part of the highway, just a little west of Grimsby, poplars have been planted by the department, which will in time obscure any signs or advertisements for this particular restaurant.

Immediate public reaction was that this stemmed simply from "spite" on the part of the Highways Department, and timing of it seemed like more than coincidence. Actually, we understand, the planting has been postponed to this time of year for logical reasons, bearing on tree growth.

They still stand out along with another line of poplars obscuring a restaurant near the Cherry Beach Road. They stand out enough to make it pretty conclusive that the department does not like the signs and is making efforts to flank them by trees so that they will not be seen to well by motorists.

This seems like an odd and expensive way of going about it. It is the taxpayers' money that is planting the trees. If they are being planted merely to obscure signs in the interests of beautification, why not substitute some logical Government policy?

There might be arguments for banning such signs; that would be up to the Legislature. If the present apparent patchwork continues, lawsuits and bad feeling will be inevitable outcroppings.

As in this matter of highway signs, so with fruit-selling along the Queen Elizabeth Way, it is a hodge-podge. Some time ago the department made efforts, quite sensibly, to eliminate traffic blocks and dangers due to cars slowing down to a stop to buy fruit at the roadside. They tried to ban this method of selling, ran into two court cases and lost both. The sellers came back — some of them to within three feet of the pavement. Nothing could be done about it. Nothing was done about it. Here again there is surely a demand for clarifying legislation.

These two problems are closely associated, and call for remedy. Tree planting is fine in its way and in its time; it is a poor way to deal with vague laws and resultant vague enforcement. — Hamilton Spectator.

## LECTURE TO M.P.'S

The demand of Members of Parliament for free air travel when their homes are 400 miles or more from Ottawa, brings a proposal from The Financial Post that a system similar to that for the Members of the U.S. Congress be adopted in Canada. Such members get one free trip per session to and from Washington; the result is that most of them stay on the job with greater consistency. As to free air travel for the M.P.'s, The Post comments:

"One can just imagine the clamour that would follow for extra planes out of Ottawa on weekends and the difficulty of the ordinary fare-paying passengers in getting seats anywhere when Parliament is in session. If present experience with free year round railway passes for M.P.'s is an indication, there would be a mighty increase in traffic for TCA and CPA and others, but none at all in net

revenue. It might be much better if we adopted the system that prevails in the United States, though with a few additional curbs of our own. American Congressmen are allowed a certain specific annual sum for travelling expenses and one free trip to and from Washington each session. Something like that for Canadian M.P.'s would be welcomed in Canada, not only by our overburdened railways, but also by our equally overburdened taxpayers. Furthermore, it might help M.P.'s stay more in Ottawa; attend to better business."

Of course, far western and Maritime Members of Parliament are under a travel hardship in getting home and back to Ottawa. But how stoutly they fought to get elected, and all the time they well enough knew their geography. Free air travel with meals and no tipping would be a nice subsidy and at the

same time it would increase absenteeism in the House, and the Senate as well.

## DO YOUR CHRISTMAS SHOPPING HERE

It's Christmas shopping time again, and the early shoppers will be wise if they do it early. The local stores are already presenting the Yuletide spirit, and have made preparations to take care of your Christmas needs. To accommodate the shoppers, a large majority of the stores will remain open every Wednesday during the month of December, and every evening until nine o'clock, from December 16th to 24th.

It will pay you to shop in Grimsby, and miss the maddening crowded conditions in the city stores. You will receive courteous and helpful attention from the local clerks, whom you know. In the city stores, the clerks are unknown to you, and there is not the personal touch that you get when you shop in your home town.

You will find the prices as low, and even lower in the local stores, as there is not the heavy overhead that is general in city stores. Try shopping in town this year — and do it early while selections are at their best.

## WHY EGG PRICES SOARED

Consumers are shelling out more for a dozen of eggs today than they did in May, when they were 52 cents. This week they are quoted at 67 cents per dozen. The Dominion Department of Agriculture has been gnawing at the problem, "What's the reason, and why did egg prices soar this summer?" Finally they have reached the conclusion that there were just not enough Grade A eggs to go around. The department explains that prices headed for the sky because there was never a steady supply of Grade A's. When production fell off last May, and exports continued to drain off supplies, the percentage of Grade A's for the local market wavered. This caused nervous buying.

Do egg prices jump like this every year? The poultry branch says they do, but adds because of reduction in quality, price fluctuations have been wider this year. Egg quality usually declines in the summer, the Ontario Department of Agriculture reports. Size and shell thickness, which are factors in the grading of eggs, decrease, the department of poultry husbandry at the Ontario Agricultural college states.

There was one explanation they missed. They didn't accuse the hens of going on strike.

## PERCEPTION

People wouldn't be as much trouble to themselves if the ladies were less observant. When a man looks at a pretty girl he just enjoys the picture as a whole and gets a kick out of his general impression. He doesn't check her over point by point or pay too much attention to details of her dress.

When a man looks at another man he will notice something unusual if the chap is dressed in his pajamas in public or if he is walking on stilts but further than this he doesn't pay much attention.

But when women look at men, that is something different.

They can tell at 100 yards if there is a hair out of place, a speck of dust on somebody's coat or a sock at half mast.

Then to make sure they haven't missed anything they get together and compare notes.

It's the women who whip up sartorial elegance in the male animal.

## MUZZLED PRESS

(St. Thomas Times-Journal)

Quite conceivably there would have been no Second World War if Adolf Hitler had not first muzzled the German newspapers and permitted them to publish only what he wanted them to know. He used the press to lash the people into a fury against those whom he represented as combining to thwart Germany's rights, and to make them war-minded. If every citizen, including even some of his top generals, had been free to speak and write what they thought, he would never have been able to secure an almost unanimous following.

## Letters to the Editor

Dear Mr. Livingston,

I have just been reading a copy of the "Grimsby Independent" of November 10th. I think without the legend beneath I would have recognized your picture though it is about forty years since we lived in Grimsby.

We had the farm too to the one owned by Mr. and Mrs. Arthur Metcalfe, later owned by the father of Mary Cailton. (E-Note—On Patton Street, just north of the CNR.)

My sister and I are the back row of a group of missionary society girls that you published some time ago (Nice bunch of girls).

I am always interested to hear news of the Grimsby people I know and used to know and wondered if on their side some of my old friends would care to see some of my poetry in the Independent.

I am sending you two poems that were printed in "Saturday Night" shortly before the last great war. Mr. Sandwell related them to me for further publication.

I shortened the one "Earth" by a number of lines as my love of drawing word pictures leads me to be too long-winded.

"Saturday Night" did me for all the poems they published except one Mr. Sandwell entered in a contest but (like "y" for the Elks) for the "Independent" I would gladly donate my time and would feel honoured if it can find space for them in such a well filled paper.

Hoping you have retained your health, I am,  
(Signed) Edith Freeman South

Snow, snow, beautiful snow—Re-s-s-s-s!

First snow in the Fruit Belt, November 24th—not bad.

Jack Clifford of Harris Motors went a-hunting. All he got was a woodchuck and he nearly shot his pompadour off getting that.

George Drew must have been on the government's mind when it designed the new three-cent stamp. The picture on the new three-centers looks a lot more like George Drew than George Rex.

Rain and wind and blustery weather. And accidents all go together. Save a life, and learn this rhyme. Slow down, driver, take your time.

I'll bet Harold Harris is ready to chew railroad spikes. British-American oil company has seen fit to cover that beautiful brick structure that houses Harris Motors with a coat of stucco.

Wee Willie Newson has a new electric sign out front of his coal, coke, wood and what have you office. How can he light it with a ban on electricity? Willie may use candles.

Country Constable — "Pardon, Miss, but swimming ain't allowed in this lake."

City Miss — "Why didn't you tell me before I got undressed?"

Country Constable — "Well, there ain't any law agin undressing."

## CHARWOMAN'S MEMO

Arrived at Miss Tuesday's apartment. Prettier than Miss Monday's and less untidy than Mr. Wednesday's. Miss Tuesday out probably working at office as usual. Have not met her. Haven't met Miss Monday or Mr. Wednesday either. Mrs. Thursday the only one ever in. Got all other jobs through agency and get paid by money left in kitchens. Mrs. Thursday an awful talker. Probably Miss Tuesday is too. Good thing she's always out. Interesting magazine she has, though.

Put pins in Miss Tuesday's living-room ash-trays. Pulled out floorlamp cord plugs from baseboard behind easy chair. Pulled out plug for radio and table lamp. Read mail. Nothing much. Moved table three inches and turned it around for arty touch. Rearranged position of vase to improve it. Pulled out plug for other floor lamp. Pushed carpet until it curled against wall. Went out, leaving cleaning rag on table.

Did kitchen, rearranging all dishes on shelves, and making sure to place cracked, saw-lipped tumbler out at front where it would show. Found old, battered tea kettle to put on top of stove as first thing to be seen on anyone's entering kitchen. Put pins in ash-tray on table. Moved flower holders around on window sill. Took down Dutch clock and hid it behind pots and pans under sink. Shifted refrigerator slightly to improve looks. Left mop in middle of floor.

Rearranged china in dining-room cupboard. Moved sideboard candles slightly. Changed table decoration, hiding the good one in hall closet. Put pins in ash-trays. Worked carpet up against the wall. Left tin pail half full of soapy water on chair.

Out of pins. Telephoned corner store for fresh supply. Read mail in bedroom while waiting. Browsed around through drawers. Tried on dresses. Noted with satisfaction Miss Tuesday not so slim after all. Pins arrived. Charged them to Miss Tuesday. Filled bedroom ash-trays. Changed all shoes around to break up monotony of pairs. Added button with piece of cloth to largest ash-tray. Moved bed slightly to improve look. Twisted carpet. Left stone hammer and crosscut saw in middle of bedroom floor.

On way out raised living-room window, as rain threatening. Taxied home and paid off sitter.

From Page One

### POLICE FIND MAN

forced off the road by another car and on striking the ditch had been thrown into the rear seat. Over a dozen guard rail posts had been torn down by the car as it left the road, and about \$500 damage was done to the vehicle. It is believed that if Mats had remained there all night, he might have frozen to death.

### POST OFFICE RUSH

December 9. British Columbia before Dec. 13.

Alberta and Saskatchewan before December 14, the same date applying to Newfoundland.

Manitoba and the Maritimes—December 15.

Ontario and Quebec—December 16.

For assurance of local delivery, post before December 17.

All first class letters up to and including 1 oz. in weight and marked for delivery in Canada are now carried by air in all cases where delivery to the public may be expedited.

Christmas is a hectic season for post office employees, but we all can help ease their burden by procuring our stamps for Christmas cards early. You'll save yourself time, and energy, too. That line-up for stamps can get powerful tiring.

### PIE-EATING JUVENILE

most lucrative, he again entered the same home and took \$150 . . . and again he ate a pie before leaving.

Grimsbey police first came in touch with the crime, when Constable Cooney contacted Chief James, who accompanied Cooney to the Grassie farmhouse. Following his, Chief James instructed his officers to be on the lookout for a boy spending unusually large sums of money about town, and it wasn't long before Constable McKenzie spotted a boy in a local restaurant—eating pie.

Taken to the police office, the boy was questioned about the amount of money he had been reported spending in town on himself and another young boy. It was at this point that Chief James brought in the owner of another restaurant, who identified the boy as the one responsible for shooting a cap gun off in his restaurant, and causing quite a commotion and disturbance among the patrons.

Further investigation was carried on, with the boy finally being searched, and in an inner shirt pocket police found twenty dollars. This, however, turned out to be part of a sum the boy admitted he had stolen from his grandmother. Finally breaking down entirely, the boy led police to his home in Salford, where \$114 of a total of \$189 stolen from the Grassie resident was recovered.

The matter has been placed in the hands of the Crown, who will make a decision in the case of the boy who might have evaded the law had he not had a terrific yearning for pie.

### WELL-KNOWN RESIDENT

Construction projects on which he had worked included the building of the Grand Trunk Western Railroad through to Prince Rupert, B. C., the Hudson Bay Railroad and the power development in the Abitibi canyon.

He came to Grimsby in 1937 as a construction superintendent with the Dominion Construction Corporation, of Toronto, when that company was working on the building of the Queen Elizabeth Way through the Niagara Peninsula.

While he made his home in Grimsby from that time on, he later superintended construction of a defence industries plant at Valleyfield, Quebec, and naval projects at Sydney and Truro, Nova Scotia. He retired from active work in 1945. He was a member of the Canadian Legion and St. Andrew's Anglican Church.

Surviving besides his wife, the former Jean Elizabeth Kidd, are three sons; Kenneth of Hamilton; Gordon, of Niagara Falls; and Charles, of Montreal; also a brother, Gordon Ramsay, of Toronto.

Funeral services were held in St. Andrew's Church at 3 o'clock Monday afternoon, the Rev. E. J. Brooks officiating. Interment was made in St. Andrew's Churchyard, with his three sons, George Neil, James G. Walker and R. M. Boeh acting as pall bearers.

Honorary bearers included brother, Gordon Ramsay, and a brother-in-law, W. J. Baird. Other honorary bearers were Messrs: W. M. Wallace, A. R. Globe, Herford Scott, Hartland Dickson.

### NECESSARY TO CURB

proof was not received and some time afterwards an inspector of the department, accompanied by two provincial constables, entered upon her property and removed the sign.

Very properly, most people will say. Judge Darby found the inspector guilty of trespass and awarded Miss Dixon damages in the sum of \$350.

The important point is not whether the sign had or had not been placed according to Provincial Highway regulations. It is in the high-handed way—involving un-

warranted entry upon private property—in which the sign was removed.

Judge Darby's decision was a well deserved rebuke of over-zealous acts by government officials. There has to be a reminder occasionally that they are not above the law.

Now necessary it is to curb this dictatorial attitude on the part of some officials finds confirmation in the fact that even as fair judgment was being delivered in favor of Miss Dixon, provincial highway workers were planting in front of her property fast growing poplars which, in a short time, it is claimed, will not only screen from passing motorists any re-erected sign but the whole business place of the lady who dared to question the department's authority.

### MUNICIPAL OFFICIALS

for one year. Township countered with a suggestion of 26 cents for the first 20 million and 18 cents for the balance.

Reeve John Aikens, of North Grimsby, expressed the view that the Municipal Board had full authority to deal with the matter, and after receiving briefs from both municipalities, would exercise its authority and set what it considers a fair price.

In the ten years from 1939 to 1949 Canadian industrial capacity has almost trebled.

### LINCOLN COUNTY FARMERS

affield came Agricultural Representatives and visitors to express appreciation for the retired public servant's driving enthusiasm which put Lincoln County on her feet.

Junior Farmers President Jack Morrison and Neida Romagnoli, Past President of the Lincoln County Junior Girls headed the long list of executives from a score of county organizations assembled to honour "Uncle Ernie."

Miss Romagnoli read an original poem composed especially for the occasion, which paid equal tribute to Mrs. Neff—"Aunt Margaret," who through the years had sacrificed a great deal of her home life in her husband's tireless pursuit of his ever increasing duties.

Presentation of a handsome huggie set to Mr. and Mrs. Neff, on behalf of all the organizations associated with the Federation was made by two Junior Executives. Mr. Neff expressed deep pleasure that as Past Secretary of the Federation of Agriculture he had shared in all the organizations at one time or another.

"I am proud," he said, "in knowing they were formed and organized through the Federation." He expressed his appreciation for the large number present who through their individual organizations had co-operated so well and put the county on its feet.

Lincoln Federation President Harry Dawson, Chairman of the meeting, said Mr. Neff was known further afield, and many had come from other parts of Ontario to honour him.

"Previous to his coming," declared A. M. Barr, Associate Director of the Agricultural Representative Branch, Department of Agriculture, "he served in other parts of Ontario. After some 24 years of service, 'Ernie' has made a host of friends across the province. He served as 'Ag Rep' in Norfolk County for five years and as Representative in Leeds County for five years, prior to his coming to Lincoln."

"It is men like him," Mr. Barr continued, "who have set the pattern of that service which has been established in Ontario. He has made it something really worthwhile." Mr. Barr noted representatives' duties were increasing all the time, attesting to their value to the farmers.

Development of Agriculture and agricultural organizations was of vital importance, he said, and added that he had heard a great deal of the wide range activities of the Lincoln County Juniors Mr. Barr attributed the organization and development of the Juniors to the "driving energy and ability" of Mr. Neff.

Gordon Skinner, past president of the Agricultural Representatives Association and Ag Rep from Halimand County joined with the many well-wishers in honouring Mr. Neff. "He started, fired with enthusiasm," recalled Mr. Skinner, "and he has retained it down through the years."

William Hoss of the Lincoln County Music Festival Association told the meeting Mr. Neff had been very instrumental in building the Festival from a membership of 50 persons to one of 900 two years ago. W. F. Sherrin, Immediate Past President of the St. Catharines Y's Men's Club, paid sincere tribute to Mr. Neff's efforts as 1948 President of that club, in sparking the organization of the Lincoln County Turkey Club—a venture which had proved very profitable for all concerned.

Lincoln's new Agricultural Representative, G. E. "Gerry" Nelson said he was fully aware of the important duties carried out by Mr. Neff down through the years. He was becoming increasingly aware, he said of the pioneer work of his predecessor, Lincoln with her two fold farm life—that of grain and fruit, made it different, but, said Mr. Nelson, as he got to know more and more persons he was finding Lincoln "a grand place."

The Hon. Thomas L. Kennedy, Ontario Minister of Agriculture, kept from attending the annual meeting by illness, expressed his personal wishes for Mr. Neff. "He has done so much for Lincoln County that his services cannot be valued in dollars and cents," wrote Mr. Kennedy. Written greetings and tributes were read from C. D. Graham, Deputy Minister of Agriculture, and R. S. Duncan, assistant to the deputy minister.

### PROOF POSITIVE

An incident that occurred at Blue Bonnets race track in Montreal on August 31, 1948, should convince the last die-hard of the value of the photo-finish camera. In one race a horse named Any How fell, threw his jockey and slid at the finish line. To know whether the horse went down before reaching or after crossing the line was vitally important because it meant that he was either disqualified or had won second place. Yet seven of the eight official observers were so positive that Any How had fallen after he had finished that they felt it would be a waste of time to look at the photo-finish picture. But they reluctantly consented to do so and discovered, much to their chagrin, that the horse had gone down several feet before he had reached the line.

## Flat Roofing Problems Solved with NUROOF Materials

We have experimented with many types of materials for solving the flat roof problem . . .

Now we have a product that we are proud to advertise, because we have such faith in Nuroof . . . that we can guarantee it from 5 to 20 years . . . depending on the amount of work put in on application.

### NUROOF COMES IN ALUMINUM AND BLACK

- Easily applied
- Insulates
- Durable

Nuroof is a combination of heavy weatherproofing liquids and asbestos fibre with an aluminum or black finish coat.

Perfected by Acorn Refinery Products, Cleveland, Ohio, we cannot promote this product too highly.

### Nuroof Is Applied Right Over Your Old Roof Regardless Of Type

Investigate this product . . . it will save you worry and money.

After a very pleasant visit with her sister, Mrs. Bertha H. Bolton, 30 Mountain Street, and her numerous friends of Grimsby, Mrs. J. Sterling Cook has returned to her home in Washington, D. C.

### NEW MINISTER CALLED TO TRINITY UNITED

Trinity United Church is to have a new minister. Rev. R. K. Lam-hay of Bunkley United Church of Hamilton has been called by the Board of Managers of Trinity United and has accepted the call. It is expected that he will assume his new pastorate in February when Rev. A. Leonard Griffith leaves Grimsby to take over his new charge in Ottawa.

### TRINITY BABY BAND

The annual Baby Band party of Trinity United Church, under the leadership of Mrs. F. Little and Mrs. C. Mote, was held in the Baptist Church Hall on Tuesday afternoon, Nov. 29th, at 3 o'clock.

There was a splendid attendance of mothers and children. Two sound films were shown, after which a short talk was given by the minister, Rev. A. L. Griffith. Light refreshments were served. Also assisting were Mesdames G. Tennant, D. McIntosh, E. Sullivan, H. Pickett, G. McFinnell, R. Hyland, J. Ailena, A. Ingelhart, H. Harper, A. L. Griffith, and Misses D. Wilkins and Barbara Mote.

### FARM FORUM NEWS

The first meeting of the second series of the forum was held at the home of Mr. and Mrs. Albert Oldfield with a good attendance, despite bad weather.

The subject, "Are We Good Farmers?" was discussed. All agreed that "No" should answer the question "Is financial success the main standard by which to judge a good farmer?" Such things as condition of farm, community spirit and quality of produce are very important.

Methods of farming may be improved by fertilizing the land, crop rotation and co-operation with neighbours.

The next meeting will be held at the home of Mr. and Mrs. Millard Gibson on December 29th.

### TRAIL RANGERS

Last Wednesday evening, the Trail Rangers of Trinity United Church, travelled to St. Catharines for the Fall Rally of the District Rangers.

Twenty-one boys made the trip under the leadership of W. J. Bonney. The Rally was opened with a round robin of dodge-ball and the Grimsby boys showed their superiority by being declared champions of the evening. The groups at the Rally were Vinemount, St. Paul's United of St. Catharines, Grimsby and Memorial United of St. Catharines.

The Grimsby boys also took first place in the showing of stunts under the direction of Nelson Woods. Transportation for the boys was supplied by Allen Bentley, Doctor Mitchell and W. J. Bonney.

The boys wish to express their appreciation to the above gentlemen for their kindness in furnishing their cars, especially to Dr. Mitchell who might as well call himself a Trail Ranger, because he is ever willing to turn aside his own evenings to help out the boys.

### CARD OF THANKS

The family of the late Mrs. Gertrude Telford wish to express thanks to all the friends and neighbours for their many kindnesses, cards of sympathy, flowers and for the loan of cars, during their recent bereavement.

SUNLEY—The family of the late George Sunley wish to express their sincere thanks and appreciation to their friends and neighbours for the many kindnesses and expressions of sympathy extended to them in their recent bereavement.

By PRUNELLA WOOD

If you were cast away in a desert resort town . . . or any other resort locale with your trunks delayed or even lost . . . your boon companion indeed would be a chic black frock for after dark. All things for sociable invitations, needing only a string of pearls for extra glamour, one should always have one handy at home and travelling abroad.

This model, a ready to wear beauty, is black crepe with a quilted star design of lacy effect bordering its scooped neckline and shoulder caps, its full, short hem.

### LODE

The monthly business meeting of Lincoln Loyalist Chapter, L.O.D.E., was held on Monday afternoon, Nov. 28th, at 3 p.m., at the home of the Misses E. and Miriam Cline, Nelles Blvd.

The sympathy of the Chapter was extended by the Regent, Mrs. E. A. Buchanan, on behalf of Mrs. E. A. Buchanan, in the passing of her husband, Col. Ramsey. Mrs. E. A. Buchanan, Mrs. P. V. Smith, and Mrs. Don Smith, were named as a committee to meet with Lena Davis Chapter, L.O.D.E., Beamsville, and make arrangements for the celebration of the 36th anniversary of the founding of our great Order.

Mrs. W. H. Morris, Educational Secretary, reported on the Chapter's activities for the High School Commencement exercises, where the L.O.D.E. medal and other prizes were presented to the students.

Mrs. A. L. Bromley, Echoua Secretary, reported a list of 60 subscribers to Echoua. Mrs. W. M. Craig, reporting on Post War Work (Bonds for Britain) said that 25 food parcels had been sent during the year including the Christmas boxes which had been mailed.

Mrs. H. E. Marlow, Convenor of Ways and Means, reminded the members about the Bazaar being held in the High School on December 7th, and asked that returned school Thursday and Friday nights, Dec. 1st and 2nd at 8:15 p.m.

Miss Harriet Walsh, Expiro Body Convenor, introduced Debate will hold their first Expiro and Body speaker, Mrs. J. E. Vaughan, in the W.I. Hall, Friday night, December 2nd. Cards at 8 of St. Catharines, who, in her night, clock and dancing at 10 o'clock, gave a most complete Jack Robinson's orchestra of Hamilton resume of the Alma.

Opportunities of the L.O.D.E. Durlin will provide the music. Ad- ing the last year, 5,382 food parcels valued at \$25,623.00, had been shipped overseas by the L.O.D.E. on Post War Work was \$184,214.

Donations were made to the Lory Morrison Memorial Fund, the Shipping Fund, and the Peace Memorial.

At the close of the meeting refreshments were served by Mrs. V. Smith, Mrs. H. E. Marlow, and Miss Betty Smith. A

hearty vote of thanks for a lovely afternoon was extended to our hostesses, Misses E. and Miriam Cline, by Mrs. W. H. Morris, on behalf of the members.

### VINEMOUNT NEWS

The Vinemount Drama Guild presented their first play of the season, "Jane Eyre" by Charlotte Bronte, and dramatized by Marjorie Carlsen, directed by Stuart Jeffries. The play was presented Thursday and Friday nights, Nov. 24th and 25th. Owing to a very bad storm the first night, of snow sleet and fog, the attendance was not large, but most appreciative.

Friday night, they played to a full house, and were received with keen enthusiasm. The cast of characters are as follows:

Mrs. Fairfax — Edna' Carlsen, Grace Paul — Annie Johnson, Jane Eyre — Alfreda Jeffries, Rochester — Stuart Jeffries, Mason — Steve Kurpe, Blanche Ingram — Audrey Glidden, Lady Ingram — Muriel Wheeler, The Madcap — T. Mr. Wood — Clifford Robinson.

Production Staff: Stage Manager, Tony Elliott, Prompter Make up — Ellean Cooke, Setting by — Frank Kurpe, Don Shaker, Tony Elliott, Dick Milten.

Mrs. J. Beatty, Mrs. C. Armstrong, Mrs. C. Brand, Mrs. Chas. Vicker and Mrs. Adam Reid, members of the Vinemount Women's Institute served refreshments and were assisted by the Vinemount Women's Institute.

The play is being repeated in the Mountain View held in the High School on December 7th, and asked that returned school Thursday and Friday nights, Dec. 1st and 2nd at 8:15 p.m.

The Vinemount Women's Institute will hold their first Expiro and Body speaker, Mrs. J. E. Vaughan, in the W.I. Hall, Friday night, December 2nd. Cards at 8 of St. Catharines, who, in her night, clock and dancing at 10 o'clock, gave a most complete Jack Robinson's orchestra of Hamilton resume of the Alma.

Opportunities of the L.O.D.E. Durlin will provide the music. Ad- ing the last year, 5,382 food parcels valued at \$25,623.00, had been shipped overseas by the L.O.D.E. on Post War Work was \$184,214.

Donations were made to the Lory Morrison Memorial Fund, the Shipping Fund, and the Peace Memorial.

At the close of the meeting refreshments were served by Mrs. V. Smith, Mrs. H. E. Marlow, and Miss Betty Smith. A

In spite of extremely adverse weather conditions, a most successful Bazaar and Bazaar were held on Thursday, November 24th, by the Ladies Guild of St. Andrew's Church, in the Parish Hall.

The guests were welcomed by Mrs. Victor Thompson, president of the Guild, and a turkey supper

## Welcome

NOV. 28—To Mr. and Mrs. Ray Konkle, Beamsville, a son.

NOV. 28—To Mr. and Mrs. William McFarlane, Grimsby, a son.

NOV. 30—To Mr. and Mrs. J. Clifford Loney, R.R. 2, Grimsby, a daughter.

was served to nearly 300 people. A large number also came to the Bazaar and tea in the afternoon.

The tea was in charge of Mrs. Ben Rogers, and Mrs. Fred Taylor presided at the tea table. The beautiful silver tea service, presented by Mr. W. A. Mason to the church, in memory of his wife, was used for the first time.

There were aprons, flowers, lingerie, candy, toys, fancywork, pillow cases and bags. Some of the booths were completely sold out by five o'clock. Mr. H. E. Marlow won a beautiful afghan by guessing the correct number of beans in a jar. The afghan was made and donated by Mrs. Billings.

### WOLF CUB PACK

A PACK Standing of the Six's total points in the competition are as follows:

Gray Six, 129 points, Blue Six, 85 points, Green Six, 82 points, and the Brown Six, 74 points.

Don Wilson was presented with his First Star and told to keep up the good work so that he might pass his Second Star tests.

Lynn Lambert and Bobby Globe passed the test for their Tenth Badge, and will be presented with the badge at the next meeting.

Several games were played in connection with the competition, and points were given to the winners.

The Cubs were called into the parade circle by Akela, and the meeting was closed with the Lord's Prayer, and a whispered, Good Hunting, Cubs.

### LEFT BABIES BEHIND

The disappearance of 6,000 adult seals from their breeding ground on Seal Island off South Africa was a peculiar mystery that occurred about April 15, 1948. Investigators have not yet discovered caused them to depart suddenly, leaving behind their 1,600 helpless babies, most of which died of starvation within five weeks.

Student of The Week

Third Form student of the week is 8' 10" tall and has brown eyes and wavy brown hair. He was born in Noranda, Quebec, sixteen years ago—John Rukovich—John has travelled quite frequently in Northern Ontario. Previous to coming to Grimsby a year and a half ago, he had lived for five years in Toronto. Mathematics and Physics are his favorite subjects, while basketball his favorite sport. John hopes to some day become a P.T. teacher. To the usual question, "What is your favorite food?" he replied, "Anything that is digestible."

The Drama Club, this year, is sponsoring a number of plays staged by the members of each form at the school. These plays are to be directed by students, and judged by Colonel Chetwynd. The Players Guild is offering an award

for the best play as produced. The Club also sponsors the Commencement and Drama Night plays. The work and management of each play is done by the respective committees of this club.

A meeting of the Property Committee was held Monday last in preparation for Grade 12's presentation which is scheduled soon.

The History Club held the first of its supper meetings of the year on Tuesday, Nov. 22. The members of last year will well remember the fun they had at such meetings. Supper was served in the auditorium of G.H.S. about 6:30 p.m. Some members then gathered for a sing-song while the rest did K.P. After this the regular meeting was held in the library. Diane "Bunny" Kemp read her composition based on the book "Behind the Iron Curtain."

There was the usual Nickle Hop last Wednesday noon in the auditorium. These dances seem to be working out very well. They add variety to the otherwise dull noon hours.

After the Commencement exercises were over there was a dance in the gym. Many people were here including teachers, parents and graduates. The dance ended about quarter after twelve.

Waiter: Will that be all?  
French teacher: Yes, one egg is "an ouf".

Although the elevator operator had been with the company for 25 years, this was the first time he had seen anyone try to enter the elevator with a horse.

"Listen here," he commanded, "you can't bring that horse in here."

"Please," pleaded the man with the horse, "Have a heart. I simply must take him up in the elevator."

"Why?" asked the operator.

"Because," explained the man gloomily, "he always gets sick on the escalator."

The boys and girls basketball teams are practicing for games to be played with Beamsville on Friday. There will be basketball games and a dance afterwards sponsored by the Athletic Club.

The first Canadian-made nylon was produced at a Kingston, Ont., plant on June 26, 1942.

# MANY CERTIFICATES AWARDED AT G.H.S. COMMENCEMENT

(By Anald)

On Friday evening last the auditorium of Grimsby High School was filled to capacity for the 1949 Graduation Exercises. With Mr. Awde as chairman the program was opened with the singing of O Canada followed by the Lord's Prayer. Patricia Harrison then entertained the large audience with a piano solo.

The Valedictorian of the evening was Mary Morris, at present a student at the Hamilton Normal school. She recalled many amusing instances from her life at G.H.S. These brought back memories of happy days to all the Graduates. Mary ended her address by a quotation by Hop Hope, "Thanks for the Memories."

The Valedictory Address was followed by the presentation of diplomas by Mr. T. L. Dymond and Mrs. L. A. Bromley.

Secondary School Honour Graduates were as follows: Barbara Bromley, Ted Gayowski, Waldemar Janzen, Patricia Merritt, Eleanor Merritt, Earle Metcalfe, Mary Morris, Catherine Morrison, Betty Shantz, Valentine Smith and Ann Wade.

Secondary School Graduates were: Shirley Anderson, Olga Apostol, Carolyn Baxter, Ruth Clark, Jacqueline Constable, Edna Cornwell, Patricia Dowie, Edward Greig, Evelyn Griffith, Margaret Guthmann, Patricia Harrison, Joseph Ivanski, James Juras, Dawn Kemp, Jenny Klowak, Lorne Lindemann, Bernard MacMillan, Mary Manning, John Millyard, Nancy Morton, Jack Scott, Mary Shewers, Florence Smith, Irene Stepony, Joan Sterling and Douglas Truman.

Mr. Norman Davies from the High School Inspectors' Branch, Department of Education was the speaker of the evening. Mr. Davies stated that this is a milestone in the history of G.H.S. for, presumably, this is the last Commencement to be held under the present board because G.H.S. soon comes under a school area board. He doubted that there would be much change in the organization of this and the other schools, however, for awhile. He pointed out that those who attended school years ago, didn't have half the advantages that we now have, and that under the new plan there will be still further advantages.

The choir of G.H.S., directed by Mr. Eaton and accompanied by Mrs. Macintosh, presented two groups of songs: Miss Greening, of the staff, sang two solos, "My Hero," from the Chocolate Soldier, and "Will you Remember" from May-time. As always, the music of the choir was thoroughly enjoyed by the audience.

The presentation of medals and awards was made by members of the Board of Education, and by members of the I.O.D.E. to the following: Merchants' Shields Awards—Art, Sandra Rogers and

Lawrence Piotrowski; commercial, Jacqueline Constable; Lds. Betty Shantz; History, Patricia Merritt; Mathematics, Waldemar Janzen; Oratory, Barbara Co; Athletics, Jack Scott and Ruth Clark; Athletic Awards—Boys' Soccer Champion Jack Scott; Boys' Intermediate Champion, George Kapusky; Boys' Junior Champion, Tom Amann; Girls' Senior Champion, Ruth Clark; Girls' Intermediate Champion, Doreen Johnson; Girls' Junior Champion, Patricia Harrison; Strathcona Award in Marksmanship, Earle Metcalfe; Form Proficiency Awards—Grade 9A, Sandra Rogers; Grade 9B, Olga Apostol; Grade 10A, Alice Trant; Grade 10B, Marie Shaffer; Grade 11, Anna Papes; Grade 12, Ruth Clark; Ruth Clark distinguished herself by winning this award for four consecutive years.

I.O.D.E. Progress Awards—Grade 9A, Merritt, Anderson; Grade 9B, Jim Lawson; Grade 10A, Peter Wade; Grade 10B, Mary Shoji; Grade 11, Ann-Marie Murdoch; Grade 12, Janice Cornwell; IODE Oratory Awards: Senior Barb Cole Junior, Patricia D'Aoust and Stella Ivanchuk; Scholarship—I.O.D.E. Burnaby and Dominion Student Aid Scholarship, Janice Cornwell; Mary Morris received the I.O.D.E. Medal from Mrs. Buckenham, regent of Lincoln Loyalist Chapter and Earl Marsh, president of the Grimsby Lions Club, presented the Lions Club Medal to Earl Metcalfe.

The intermediate certificates were issued at the Friday morning Assembly to the following: Joan Alexander, Barbara Ambrose, John Bentley, John Butkovich, Helen Choroskiwsky, Jacqueline Ellis, Alberta Fellows, Dorothy Game, Ann Garnham, Kitty Gillespie, Lois Harper, Leslie Harrison, Stella Ivanchuk, Murray James, Doreen Johnson, George Kapusky, Jean Krysztogowicz, Ann Kus, Margaret MacMillan, John Martie, Irene Martyniuk, William Morris, Victoria Palmer, Albert Buckenham, Marguerite Pasche, Norman Rushak, Thomas Schwartz, Marie Shantz, Cairne Shantz, Marie Shoji, Ann Terry, Evelyn Uren, Alice Trant, Christopher Wade, Peter Wade, Ellen York.

Members of Grad. XIII presented an amusing one-act play, "The Blue Willow Plate" done in the Chinese manner, and directed by Mrs. Johnston.

The story was centred around the history back of the "blue willow" pattern. Leading parts were taken by Philip Pogacher, Douglas Truman, Joe Ivanski, Carol Baxter, Jack Scott, and Janice Cornwell. Interest and humor were added by the antics of the "invisible" property man, John Millyard, and the music of the orchestra. Costumes and setting were extremely colorful.

Following the program in the auditorium, Open House was held, and dancing was enjoyed in the gymnasium by the students and their friends.

## OBITUARY

### GEORGE SUNLEY

George Sunley, resident of Grimsby for the last 28 years, died at his home Friday, in his 62nd year.

A son of the late John and Mary Sunley, he was born in Bramosa Township, near Rockwood, on April 11, 1887, and had farmed until moving to Grimsby. He was an adherent to Trinity United Church. His wife predeceased him in January of this year.

Surviving are three daughters, Miss Lola Sunley, at home; Mrs. George M. Loty, of Elora, and Mrs. D. H. Root, R.R. 1, Ouelph. Remains rested at the Stonehouse Funeral Home, where services were conducted on Monday afternoon by Rev. A. Leonard. Grif-Rth.

### GEORGE E. LAMPMAN

George E. Lampman, life-long resident of Calator Township, died at his home on Monday following a long illness.

In his 63rd year, he had lived all his life on the farm on which he was born on February 24, 1887. A veteran of the First World War, he went overseas with the Central Ontario Regiment. He was a member of Abington United Church.

Besides his wife, the former Mary Jane Hyland, he is survived by two stepsons, William G. Richardson and Clarence A. Richardson, both of Hamilton; his mother, Mrs. John E. Lampman, of Calator; also three brothers and three sisters, Gilbert and Coral Lampman, of Calator; Ray Lampman, Grimsby; Mrs. Eva Kersien and Mrs. F. W. Meyers, of Detroit, and Mrs. Muriel Sheldrick, of Hamilton; and one grandchild.

### JAMES H. KONKLE

Known to many Beamsville and district friends, James Henry Konkle, 77, was stricken suddenly on Sunday at his home in Beamsville, and died before aid could be sought.

"Jim" Konkle came of pioneer stock. He was born in Clinton Township, the son of the late Robert O. Konkle and Elizabeth Hoffmann. For many years he farmed near Beamsville, moving here several years ago to make his home. The Konkle elder mill on Ontario Street, formerly at his farm, made his name known far and wide throughout this section of the province.

He was an early member of the Beamsville Citizens' Band and a staunch member of the Orange Order. He was a member of the First Baptist Church here.

Left to mourn his loss are his wife, the former Lizzie Garbutt; seven daughters, Mrs. Frank Sweet Beamsville, Mrs. George Grant Dunnville, Mrs. Pearl Hopper, London, Mrs. James Stevens, Beamsville, Mrs. W. Greenfield, St. Catharines, and Miss Hazel Konkle, at home; one son, William Konkle, Clinton Township; two brothers, George Konkle, Clinton Township and Alex Konkle, Beamsville; also 14 grandchildren and 2 great-grandchildren.

## OPTIMIST HOBBY FAIR

Well, gang, this is our bit of news for this week.

After digging around for possible suitable dates for our fair, it was thought that it might possibly be held in the Easter Holidays Week, though this is not definite. Mr. Arkell has just about decided to hire another secretary to take care of the correspondence and calls he has had since last week's notice of the Hobby Fair. This makes things look as though we are going to have a very real fair with lots of entries to display, so don't be left out of it. Get working on your hobby now. And remember, fellows and girls, you don't have to bother Art Arkell with all your inquiries; any of the Grimsby Optimists will answer your questions for you.

Now again I say, get busy. Beamsville and Winona are in it, and we don't want Grimsby beaten out. So long for now. More next week.

# Thank You!

The Ladies' Guild of St. Andrew's Church extends its most grateful thanks to all the ladies of the congregation who gave so generously of time, labour, and donations, to our recent Bazaar and Supper.

The Guild also appreciates very much indeed the wonderful support from the public. Without this co-operation and support, November 24th would not have been such an outstandingly successful day.

## THE SHOP AROUND THE CORNER

MISS MAY CRITTENDEN,  
Resident Staff Correspondent.

Telephone Your News Items To Her.

Mrs. H. Martin has returned to Toronto for the winter months.

William Sterling, Jr., returned to Kiski Spring School, Saltburg, Penn., after spending the American Thanksgiving holiday at his home.

The Parent and Teachers' Association held a Bridge and Euchre at the Park School on Friday evening. There were 6 tables of Bridge and 3 of Euchre. The prize winners were Mrs. M. Nellie for Bridge and Mrs. A. Whipple for Euchre.

The Committee, with Mrs. F. Lee as Convenor assisted by Mrs. R. Young and Mrs. W. Betts, served a delicious lunch.

We will all look forward to the next party to be held in January.

### BEACH W. A.

The Beach W.A. of Trinity United Church held its monthly meeting at the home of Mrs. Eric Garnham on Wednesday afternoon. About 20 ladies were present. Mrs. Rosebrough presided. Miss Edna Hunter gave a talk on Miss Edna Jacques, and read some of her heart-warming poetry. Mrs. Gilheart gave a talk on the book, "Growing With the Years," and "Growing With the Years" gave excerpts from it with regard to Church Union. She also gave a most interesting account of her own experience with regard to questions as to which Church she should join if she became a Protestant. Mrs. Garnham served tea assisted by Mrs. Rosebrough and Mrs. Cooper.

### PARENTS ASSOCIATION

The meeting of the Parents and Teachers Association was held on November 25th. A request was made that if

families, having books no longer in use at home and suitable for the school library, send leave them at Mr. Rushak's store or the Beach School it would be appreciated by the school staff.

Letters were read from the pupils thanking the assistance for their co-operation in making the Halloween Party a success.

Mrs. Gadsby moved vote of thanks for the apps donated for the party.

The meeting closed with the serving of tea by M. Nellie and Mrs. Panser.

### BEACH CUB EWS

Akela announced the results of the pennant competition at Friday's meeting of a Grimsby Beach Cub. In one of the closest races record, the Brown captured the coveted "Good Hunters" pennant with a total of points. Close behind were the yellow with 73 and the Blues with 68, while the Red Six piled up points. Each member the winning Six received size and the congratulations of all for their good work.

Then came a Cub game between Blues that ended in a three-way tie among yellow, Brown, and Red Six and which was eventually broken by the quick thinking of the Yellow.

Then it was "golfround" for Bagheers's story of "classified" Yellow make's adventures. Yellow Six acted it out much to everyone's satisfaction before closing the meeting.

Good Hunting, Cubs!

## MOVING STATUE

Probably the largest and heaviest work of art that moves automatically to display itself is The God of Peace, a statue of an Indian that stands in the concourse

of the Ramsey County Court House in St. Paul, Minnesota. Made by Carl Milles and installed in 1938, this \$75,000 work of art rotates on its base to the right and to the left, 90 degrees in each direction. It is three stories in height and weighs 60 tons.

## LINCOLN COUNTY HOG PRODUCERS' ASSN.

SYD WEBBER, Secretary.

## SPORTS

PEACH KINGS TRIM  
PARIS GREEN SHIRTS

The Peach Kings picked up some valuable ice time on Tuesday night when they engaged the Paris Intermediate A team in an exhibition game that off times looked like Fruit Belt hockey at the local ice works. Nevertheless, the Kings had a taste of victory, and the whole affair, which was arranged to condition our guys, accomplished this feat very nicely.

The locals looked much better than at any other time this season. However, let us not forget that it is not difficult to look sharp against a fairly weak opponent.

Over two hundred fans hung over the rails to get a look at the Kings, and undoubtedly left the rink with a trifle more confidence in their team. Among the new faces, the crowd got a glimpse at a really bright prospect of things to come in Jerry Sullivan, who teamed with Blanchard and Duffield, gave a fine display, scored two goals, and was one of the most impressive men on the ice. Sharing honors with Sully, was Weiner. Croft. The ex-Mason picked up a nice counter in the first period, and playing with the Rocco brothers on the third line, indicated that the Kings have a potential power-packed third line that will punch home a lot of rubber this winter.

But out in front by a wide margin were the old vets of the Kings, the Hutchinsons, Daddas and Hoyle line. This accounted for five of the eight goals scored by the Kings, with Billy Hutchinson notching three. Teddy Hoyle came up with two. Daddas at centre was credited with three assists.

Artie Clark juggled his line-up, he used Warner on defense, and back Hoyle and Duffield were used sparingly. Quick was taped to the gills, to protect a couple of cracked ribs, and Duffield is still bothered with his back.

The Kings were outscored in the first period, two to none. Don Roach in the nets for half the game, drew an assist on the second period goal, and his clearing appearing to be his weakest point. The second frame was only two minutes old when Sullivan opened the scoring. Unassisted, Hutchinson and Hoyle made it six to two before three minutes had elapsed. Hutchinson

took time out midway through the period to hand a neat mouse on the eye of England—both served majors for their scuffle. Sullivan scored from Miller, and Hutchinson from Hoyle, and the Kings led six goals to two, at the end of two periods. Hoyle and Hutchinson each picked up a tally in the third, and Cruikshank finally beat Jerry Sullivan to give the Parisites their third and final goal.

Lee Kirkpatrick and . . . of all people . . . Pud Reid Jr. handled the game very nicely, handing out a total of fourteen penalties.

The game was worth plenty to the Kings, and just how well their conditioning period has come along will be evidenced this Friday night when they open the season here against a very powerful Port Colborne club.

Tied with St. Catharines for bottom position, the Kings can ill afford to drop any more games . . . and although the odds are against them even yet . . . they will be out for a win on Friday night. They will not be able to use at least three of the players who appeared in the line-up on Tuesday.

## PROHIBITION

The famous dogs that belong to the Saint Bernard Hospice in the Swiss Alps are still described and depicted, as in past decades, as having miniature casks of brandy tied to their collars while out looking for travelers lost in the snow. And yet no alcohol has been carried by these Saint Bernard dogs for more than a hundred years.

The Fox Custom Deluxe sedan (upper photo) and the Monarch Sport sedan (lower) are typical of the 1950 models being publicly shown across Canada commencing this Saturday, December 3. Automatic overdrive, which is optional, and 50 other new functional and style features, are incorporated in the Ford line. A completely redesigned instrument panel, deeply recessed to avoid windshield reflection, and special interior sound-proofing, are introduced in the 1950 Monarchs. Convertibles and station wagons are included in both lines for the new year.

New winter accident facts based on research by the National Safety Council, show an alarming increase in accidents from skidding and from poor visibility, twin special hazards of winter drive. Officials urge that all motorists reduce speeds in winter and use tire chains frequently. Also needed are efficient windshield wipers, defrosters, properly equalized brakes and well aimed lights.

### PEACH KINGS AND NATIONALS STILL CARRYING ON OLD FEUD

Some of the bitter disappointment experienced by the Brantford Nationals last spring when the Peach Kings eliminated the team that many fans still maintain was stronger than the Peaches, was quite in evidence Friday night, as Brantford defeated the Kings by a six to two count.

You could feel it before game time, as a good crowd of Brantford fans came to see the punka forties come to see the punka forties from the Peach Belt who had the audacity to leave their guys hanging on the rafters after a hectic seven game series, that eventually proved to be the downfall of the

Kings in the Ontario semi-finals. You did not have to look very closely as play started to get the idea that there was plenty of antagonism between the players themselves. Eight penalties in the first period more or less substantiated this statement.

Still very much out of condition, the Kings actually went into the game realizing that they stood to be beaten, and badly so. Although the 6-2 score is clear-cut, it was not a run-away by any means, as a very tired bunch of Kings battled all the way ... and battled with all the services of Bill Gluck, Howie Duffield and Robbie Robertson. The difference between the two teams was in the two-way play of the Nets, while the Kings had trouble forming a strong offensive, and appeared absolutely beaten while trying to defend their stronghold.

Jerry Strong, who guarded the nets for the first two periods, and Don Roach, who took over in the third, both looked good, and there is very little to choose from either of these boys. Strong had a tough second period when his mates let him down, Brantford picking up two goals both due to a tired defense ... and a non-existent offense.

The Kings, while not running away with the first period gave as much as they received, and scored the first goal, when Barry Blanchard scored with the Nets a man short. Taylor, much improved over his showing in Port Colborne, gave

Blanchard an assist on the opener. Campbell clicked for two quickies midway through the period, to give Brantford a lead they never lost. Play was rough and strong made the stop of the game, beating Lynn, who went in with Wincek on a great passing play.

Bunn Glass drew a minor, after dumping Semmler with a beauty of a bodycheck, fill-in ref Tony Torti used very poor judgment in handing out the penalty to Glass. Hewson scored the Brant's third goal a minute after the second period got under way. The Kings seemed very tired and had only

four shots on McGratten in the second period. Strong, although nicknamed for three goals, stopped twenty-one shots.

Guy Winters acted too fast midway through the period, having three clear shots at the Net's net, and missed all three. The Brantford punting was very keen in the second frame, and they swept through the Kings' defense time after time. Stephen picked up a loose puck and whacked it past a prostrate Strong for the Net's fourth tally, and Lynn made it five to one, his goal coming with Wally Hamilton serving a minor penalty.

Jack Clancy cleaned up the right boards late in the period and his shot from the right side was neatly deflected by Blanchard to make it 6-2 at the end of the second.

With Roach in the nets for the final frame, the Kings actually strengthened, and gave Roach much better support than Strong had received in the previous period. Brantford, as a matter of fact, seemed the more tired of the two, and shots on goal were about fifty-fifty. McGratten, a newcomer to Brantford, made a fine save on a thrust by Warner and Taylor. Holota drawing extra time, while Warner served a minor. With the teams playing four a side, the speed was surprising, and the best hockey of the period was displayed, with Roach coming up with two great stops to hold Brantford scoreless until the last minute of play, when Wincek finally slipped the rubber over Roach to give the Nets a rather shallow four goal margin.

**First Period**  
1. Kings—Blanchard (Taylor) 9:55  
2. Brantford—Campbell (Leconte) 10:58  
3. Brantford—Campbell (Leconte) 12:48  
Penalties—Stephen, Holota, Doda, Messner, Glass, Hewson, Clancy (2).

**Second Period**  
4. Brantford—Hewson (Wincek) 1:17  
5. Brantford—Stephen (Smith) 8:53  
6. Brantford—Lynn (Leconte)

10:25  
7. Kings—Blanchard (Clancy)  
19:09  
Penalties—Hamilton, Glass,  
8. Brantford—Wincek (Hewson)  
19:44  
Penalties—Pigeon, Warner, Holota, Messner.  
Peach Kings—Strong (goal), Roach (goal), Def. Clancy Hamilton, Centre—Doda, Wings: Hutchinson, Hoyle, Alternates—Taylor, Warner, Blanchard, Sullivan, Winters, Miller, Glass.  
Brantford Nationals—Goal: McGratten, Def: Smith, Simpil, Centre—Jamieson, Wings—Pigeon, Hewson, Alternates—Vincek, Linn, Campbell, Stephen, Leconte, Semmler, Holota, Messner.

### HOCKEY SCHEDULE OF BIG SIX SENIOR "B"

### NATURE UNSPOILED

### YOURS TO ENJOY

The BROWN CREEPER is the personification of thoroughness. A small, brown, "mouse-like" bird, he circles the tree-trunks patiently and industriously, looking for injurious insects and their larvae. The Creeper is a most beneficial little bird. He should be encouraged and protected.

## SPORTRAYAL

By "HIGH"McGREGOR

Wherever we go in this Senior B league, the sportsmen and hockey men in general seem to pick Woodstock as the strongest contender for the Big B Championship this 1949-50 season. There is no disputing the fact that Woodstock have built a powerful club together this season... but we would like to wait awhile until all the teams get close to being in shape before we concede that Woodstock or any other club other than the Peach Kings are going to win.

Now that the Kings can work out on their own ice, and they are planning on doing plenty of same, it should not be too long before they start and click and emerge from the cellar where they dwell at the present time. Pop McVicar and his assistants have lined up what is potentially the best assortment of players in the league. Because we have already stated the Kings will finish in front, we do not intend to backtrack... rather, after watching the guys go in recent practice sessions we feel that they will be well on the way by Christmas.

They have the players, and they have at present, a fine fighting spirit, which is understandable, because the Peach Kings are seldom in the habit of resting in the basement. A good team of fighters, with plenty of hockey knowledge, the Kings of this season will please the fans and as early as this Friday when they make their home debut.

Don't be surprised, however, if Port Colborne ease out a win, or at least come very close. The Ports have had plenty of practice, and with Miller Kilpatrick leading the way, last year's Intermediate A champions are not in the least dismayed by the remainder of the teams in the circuit.

The Peach Kings have obtained the services of one Robbie Robinson, formerly of the Sydney Millionaires. Released outright to the Kings, Robbie is a real character who will be a big hit with the local fans. A furious skater and a pretty darned good offensive player, Robbie is noted for his speech which has a bit of an impediment.

"Just give me dat old puck and Robbie'll put it in the net." We hope you do, Robbie, my boy.

Talking to Al Ross of the Brantford Express last Friday, Al figures that the Nets are stronger in two departments this season. Four imports, he said, have lined up the defense, and a lead by the name of McGrath is listed as a pretty fair goal, having dropped rubber for Owen Sound. The Nets obtained Stephen from the Oshawa Generals, and a big fellow on defense in the person of Art Beaudet from Stratford. The Nets have also signed Jackson, an Indian lad who played rural hockey for Caledonia. He showed nothing special in the game at Brantford. Hewson, Wisock and Pigeon remain as the Nets' big scoring combination.

Looks as if Pete Souter and Sunny Durham, both with the Kings last season are left sitting on the fence. Also Vabloski, Brantford manager, obtained their release from the Kings, and then decided that he didn't need them imports... because he already has too many. This leaves Souter and Durham in a poor spot, and right now they are not looking at Al and Brantford's supposed "big money" too kindly.

Joe and Reg Russo continue to work out with the Peach Kings, but as far as we can ascertain, neither has been signed... or is likely to be until a very important meeting comes up this weekend in Toronto. Walter Croft, closer left winger of the St. Catharines Nationals worked out with the Kings over the weekend. He one seems to know the whereabouts of West Prophet, prospective goalie for the Kings.

One of our best sportsmen, himself a former member of the Peach Kings, has come up with an added incentive to the players of the Kings for this year and years to come. Red Mason, in awarding a trophy, to be awarded annually to the player awarded greatest number of points. This, of course, includes goals and assists. This trophy, to be known as "The Red Mason Trophy," is a very fine emblem, and certainly one that the players will work hard to earn. It's a nice gesture from the Red Head, and will undoubtedly create a lot of interest among the players and fans alike.

Tuesday, December 6, Brantford Nationals make their first visit to the Grimsby Arena. Season's tickets are being gobbled up fast, so if you are planning on securing the tickets that give you top priority when the playoffs roll around, don't delay any longer.

After what the Toronto press did to the ticket situation relative to the Grey Cup... we hesitate to even mention such a thing as a visit-incentive ticket.

### LIONS MIDGET LEAGUE

Well over one hundred Grimsby kids are champing at the bit ready to swing onto the ice this Saturday, as another Saturday Morning Lions Midget League swings into action.

At the helm, as he has been for the past three or four years is capable William Nelles, who somehow manages to keep the eager beavers in some sort of control. Mr. Nelles is constantly on the lookout for assistants to help run things on Saturday mornings, and this year is no exception. So if you would like to give a hand with the ambitious kids in this morning league, this is your one to help out a really worthwhile cause.

As usual the first game is scheduled for 8:30 in the morning, with the last game going at 10:45. The following is a list of players and their respective teams for the 1949-50 season.

**CHIEFS**—Eugene Brodal, non-playing captain, Robt. Johnson, Jack Brodal, Donald Clements, Gusben Ridsom, Zony Benschuk, Gordon Zeigler, Eric Mack, Doug Young, Derry Hall, Donald Roberts, Emil Fedak, Larry MacPhail, Jack Baisley.

**FLYERS**—John Fydyk, non-playing captain, Gary Udell, Jim Bigger, Charles Byland, Robert Globe, Gary Emerson, Gordon Trechuk, Bill Jackson, Walker Wood, Frank Parahus, Victor Laka, Clifford Pihlchuk, Roy Wood, Murray Shaw.

**ROCKETS**—Ronnie Moore, non-playing captain, Danny Showers, Terry Melloy, Marian Juras, Kenneth Christie, Donald Nichols, George York, Lynn Lambert, Berry Bourne, Simon Bakker, Stanley Pyett, Bill McNiven, Ward Cornwell, Bruce Swayze.

**RIBONS**—George Stuart, non-playing captain, Doug Hughes, John Henslip, Graeme McIntosh, James Gregory, Jim Pasowsky, Bob Overholt, Jim Durham, Jack Fisher, Pat Roeder, Allan Jordan, Bill Dancer, Jon Hand, Donald Aberley.

**CANADIENS**—Bill Lee, Doug Kelterborn, Tom Connor, Palmer Hill, Donald Cowan, Richard Tickner, Mike Bucher, Lawrence Piotrowski, Larry Lambert, Cecil Sharpe, John Fydyk.

**MAPLE LEAFS**—Bill Clements, Ronnie Moore, Harry Dancer, Bill Tennant, Bryan Tennant, Peter Bromley, Bill Nelles, Fred Nelles, Lloyd Gersynski, Don Savage, Thomas Little, Henry Gullman.

**RED WINGS**—Harold Lory, Don McRae, Terry Verner, Gordon McIntyre, Gerald Havens, Rector Romanuk, Danny Natolochy, Ronald Wicheruk, Clarence Zeigler, George Stuart, Raymond Fisher.

**BRUINS**—Harry Tuer, Henry Sadowski, Leonard Christie, Donald Glen, Howard Robertson, Nelson Wood, Roy Sawchuk, Donald Lambert, Rick Racz, Keith Konkle, Blake Christie.

Captains have been selected for the four minor teams. Players on the four major teams will be given a chance to select their own captain. First games will be played Saturday morning Dec. 3. There will be practice games. Games must start on time. WEEK Saturday's schedule is as follows—

8:30 Flyers vs. Bruins  
9:15 Chiefs vs. Rockets  
10:00 Leafs vs. Red Wings  
10:45 Canadiens vs. Bruins

# LINCOLN HEALTH REPORT

FOR THE MONTH OF OCTOBER, 1949  
VITAL STATISTICS

The population of the Unit area is given as 73,775. During the month there were 68 marriages reported. There were 183 live births, and 89 deaths, 9 of which were infants. The chief causes of deaths of residents were: Heart disease 20; cancer 3; pneumonia 4; violent and accidental 2; all other causes 16. Infant resident deaths totalled 6 — 3 prematurity, 1 pneumonia, 2 diarrhoea and enteritis.

## CLINICS

**Chick:** There were four clinics at the St. Catharines General Hospital, with a total of 142 examinations. At the beginning of October our registers showed 636 cases of tuberculosis, 3 new cases were reported and 2 cases moved in. There was 1 death; 3 cases moved out; further follow-up not necessary 6; so that the total number of cases on the register at the end of October was 637.

**Child Health:** There were 31 clinics held during the month with a total attendance of 815; registrations 123; return visits 692.

## MEDICAL SERVICES

**Office Work:** During the month there were 105 vaccinated against smallpox; 4 doses diphtheria toxoid; 43 diphtheria toxoid with pertussis vaccine; 294 doses triple toxoid; also 443 certificates were issued. This work was done for 236 infants, 176 preschool, 360 school pupils, and 25 adults.

**Elementary Schools:** 145 examinations were done in the schools with the parent present, 306 by request, 75 special examinations, with a total of 528. 286 pupils had no defects, 35 were referred for observation and 105 were reported to the parents because of defects.

**Secondary Schools:** There were 19 consultations with students, 57 examinations, and 5 first-aid treatments. 16 pupils had no defects affecting health, 19 were referred for observation, and 14 were referred to the physician.

**Child Health Clinics:** 294 infants and preschool children were seen by the Medical Officers in the various clinics during the month.

**Completed Immunizations:** Vaccine Virus — Total 120; 72 infants, 37 preschool, 11 school pupils. Combined Diphtheria Toxoid and Whooping Cough Vaccine, Tetanus Toxoid — Total 116; 72 infants, 43 preschool, 2 school.

**Re-inoculating or Booster Doses:** Combined Toxoid and Whooping Cough — Total 54; 43 preschool, 12 school pupils. Diphtheria Toxoid — Total 12; 2 preschool, 10 school pupils.

## DENTAL SERVICES

One hundred and seventy-nine children were examined in October. Seventy-four had all defects corrected and forty-five were given emergency treatment. Treatment of children at Prince of Wales School is finished and St. Joseph's School is nearing completion. Survey and treatment at Queen Elizabeth School is in progress. Dr. Chanwell is providing treatment for children from St. Catharines School.

## NURSING SERVICES

Miss Gibson went to the Refresher Course at the University of Toronto for 2 and a half days and brought back the report to the nursing group.

Leaving 5 nurses on duty, 10 others went to Brantford for a meeting with the personnel of other Units in our regional area. We find it a stimulus to discuss methods of work and to see the office and equipment in another Health Unit.

A great deal of nursing time during this past month has been taken up in the College and in the high schools with tuberculosis testing of great numbers of pupils, and as yet we have not accurate figures for this report. Also, many hours have been spent by the nurses in the elementary schools in search for ringworm of the scalp by use of the purple-x lamp.

## SANITARY SERVICES

240 pounds of milk were condemned. These products were cut off for not having good milk, and several producers received warnings that better housekeeping practices must be kept or drastic action will be taken. One dairy plant has shown better housekeeping practices and we expect still better results.

One house was placarded unfit for human habitation. With the consent of the Director of this Unit, Mr. Terry and Mr. Diemer assisted the Brant County Health Unit at the Ontario Flowing Match held at Brantford on inspection of food and sanitation. Three days were spent by the inspectors in Police Court and Division Court.

52 septic tank applications were approved. Mr. Gellimbert of the Department of Sanitary Engineering paid us a visit and gave guidance to a condition at one of the schools which is to be corrected.

**Milk:** There has been some concern among our officials in regard to dairies taking on producers without authority, as we never seem to be able to keep our producer list up to date. I have written each dairy asking that before a producer sends milk to the dairy that we get an opportunity of sending our inspector to the farm.

Generally speaking, the milk supplied by our dairies to the public is excellent, but occasionally it has been necessary for us to check up the dairies rather closely in order that we are sure that safe milk is being sold.

We hope to have a meeting of all milk producers of this area in order to try and interest these men in the production of safe milk. The meeting will be held under the auspices of the Milk Producers Association.

**Ringworm:** During the summer months ringworm seemed to be rather prevalent among the children in the east end of the city and this distressing disease has now spread practically all over St. Catharines as well as to some of the schools on our border. The diagnosis is made by using a purple-x lamp and by sending some of the infected hairs to the laboratory. A meeting of the physicians was held last week and a routine way of handling cases was authorized. School pupils with this disease cannot be admitted to school and everyone infected should wear a close-fitting cap which can be washed. It is generally conceded by authorities that this disease cannot be properly cured unless the hair is taken off by x-ray treatment. After this is done, some fungicide is used. As long as there are infected hairs the patient is a menace to other children.

Barber shops have all been instructed in regard to sterilization of utensils and they have been asked not to cut the hair, but to notify the Unit whenever they suspect a child has ringworm of the scalp. Staff: Dr. Jeffs is still with the Lennox and Addington Health Unit, but Dr. Stubbs, who was temporarily appointed, does not wish to continue with our Unit. In the meantime, we are carrying on as well as possible with two Medical Officers of Health, and it may be that some of our clinics will not be covered as completely as heretofore.

## FACTS AND FIGURES ABOUT TUBERCULOSIS BUY CHRISTMAS SEALS

The tuberculosis death rate in Canada in 1948 was 37.1 per 100,000. This was the lowest rate ever recorded for Canada.

AA provinces had reductions in their TB death rates. The provincial rates in ascending order were as follows per 100,000:

Ontario	19.2
Saskatchewan	26.5
Alberta	30.6
Manitoba	38.0
Nova Scotia	38.9
Prince Edward Island	39.5
British Columbia	40.8
New Brunswick	43.7
Quebec	55.4

Total deaths from tuberculosis numbered 4,771 of which 2,145 were men and 2,626 women.

The ten year age group with the largest number of deaths was women 20 to 29 inclusive, in which there were 563 deaths. This does not, however, mean he highest incidence since it is a numerically large group. The highest rate was actually amongst men 50 to 59 inclusive, where it was 59 per 100,000.

There is a distinct relation between the downward trend in tuberculosis death rates and the increasing percentage of cases found in the early stage. A case found before symptoms appear and taking treatment at once has at least nine chances out of ten of recovering. In 1900 the tuberculosis death rate in Canada is believed to have been 200 per 100,000—a little more than five times what it is now. At that time more than 50 per cent of cases were well advanced before they started treatment.

Early findings of cases favorably affects not only the patient's chance of recovery but the length of time necessary in the sanatorium. This is of economic importance both to the patient and the community. The shorter the time needed for treatment, the less time a wage earner is away from his work. Sanatorium treatment costs approximately five dollars a day. It therefore pays the community to discover the case when six or eight months treatment is sufficient, rather than waiting until eight months treatment is sufficient, the disease is far enough advanced to draw the patient's and doctor's attention, when an extra 12 months of treatment might be required.

There are about 15,000 patients in Canadian sanatoria. The earlier a case of tuberculosis is found the less the danger that the patient has of spreading infection. Buy Christmas Seals Today.

## FREAK COURT TRIAL

Most countries discontinued a century ago the custom of having inanimate objects tried in court for causing the accidental death of a person and destroyed if found guilty. Yet on such trial of a gun was held in Madrid, Spain, as late as 1933. Having gone off while being cleaned by its owner, an army officer, the weapon was court-martialed, convicted of murder, and "executed."

## A TOUGH HOMBRE

America's toughest female outlaw of this generation was Bonnie Parker, a gun-toting, cigar-smoking dame born in Texas in 1911. Her brief but bloody career took place in the South during the early 1930's when she and her accomplice, Clyde Barrow committed a series of crimes involving 12 murders. But the law caught up with them on a back-country road near Arcadia, Louisiana, on the afternoon of May 23, 1934. Instead of stopping their car as commanded, the couple stepped on the gas. Before they could use the pistols they were holding, they were riddled with 50 of the 167 shots fired into their car by the officers who sought to arrest them.

## AN HONEST EDITOR CAN ONLY APOLOGIZE

(Contributed)  
As the Editor of this paper I am sometimes told about mistakes that are noticed in my pages, some of these being the nasty little things called misprints; and for these an honest editor can only apologize. But I have a new idea. Long ago the Devil used to give one of his helpers a good schooling in Latin, and send him around to listen to the monks as they said their prayers, and read their lessons. And when this visitor from below would hear any mistakes in grammar or in the way the words were pronounced, out would come his notebook, and every day a report of all the blunders would be sent down to headquarters. There a record was kept and a black mark given for each mistake, so that when the monks arrived the Devil and his officers would know just what to do with them.

But now when there are fewer monks than there used to be, I think I will hire this old fellow, and tell him not to bother to much about his Latin, but to sit and look over the shoulders of every one of us in this office as once a week we get the paper ready. And soon there would be no need for the begging of any one's pardon for errors or omissions, or any kind of wrongdoing into which we printers sometimes fall.

All of which is a roundabout way of saying that last week from a report of an entertainment given by the Grimsby Historical Society the following names were omitted: Mrs. T. G. Marquis, Grace McIntyre, Gail Morton, Lois Greening. These ladies as well as those mentioned last week acted their parts gracefully in illustration of costumes worn in the Nineteenth Century.

In the federal budget for the year ending 1950 it is estimated that the cost of administering Canada's Unemployment Insurance will be \$19,600,000, and contributions to Unemployment Insurance paid by the general taxpayer will be \$18,600,000. In 1943 the cost of administration was \$4,700,000.

## BREVITIES

EVENTS AND TOPICS  
OF THE WEEK IN  
TABLOID .....

Peach Kings first home game; Port Colborne are the opponents.

I.O.O.F. Giant Turkey Bingo next Wednesday night.

Lions Club meets next Tuesday night.

A branch meeting of the Veterans of the 98th Battalion Association, will be held at the home of George Brigrull, 197 Balmoral Avenue, North, Hamilton, on Friday evening, December 2nd, to which all old vets of the 98th are invited to attend.

Lincoln County Agricultural Representative G. E. Nelson was appointed Secretary-Treasurer of the Niagara Peninsula Fruit Growers Association—the largest branch of the Ontario Association, at an executive meeting on Monday. Among other items of business, the growers made arrangements for the forthcoming annual meeting in the Jordan School, Saturday.

BEAMSVILLE CASE IS  
REMANDED FIVE TIMES

A case which has been remanded five times previously, was again remanded Tuesday, this time without a day being set. A plea to have it heard and disposed of was denied by Magistrate Harley D. Hallett.

A young Beamsville man has been accused of an offense against a 14-year-old girl. "This man is, in effect, being fined for an offense he did not commit," said defense counsel. He pointed out that each time the accused appeared, he was required to pay for his lawyer, lose time from his work, and bring a number of witnesses.

Crown Attorney E. H. Lancaster said that the girl involved, the main witness, could not be found, and requested a remand until she could be brought to court. He stated that there were reasons why the case "should be brought to court, regardless of the outcome."

Defense counsel said that he had evidence ready to be presented which would prove the innocence of the accused. The case was adjourned sine die.

BOARD OF EDUCATION  
BECOMES NON-EXISTENT

New High School Area Becomes Effective January 1st—Grimsbly Will Have Two Members On The New Board.

The high school area proposed for West Lincoln and part of the township of Louth will go into effect on January 1st. This statement was fully qualified last week, when over sixty representatives met at Beamsville to hear Inspector E. G. Randall of the Department of Education outline the workings of the high school area system.

Little or no change will be noticeable in the school system however, until the fall term of 1950 commences. Locally the opening of a high school area will mean the end of the present Board of Education. At the civic elections in January, a Public School Board will be elected for the first time. It is believed that this board will consist of six members.

The District Board will consist of a minimum of eight members, two from Grimsby, one from the Township of North Grimsby, one from Beamsville, two from the Township of Clinton and one from Louth. The eighth member is to be appointed by the Lincoln County Council. When this Board takes up its duties, they may, if they see fit, request the County Council to appoint two more members.

Many of the high points of the high school area system were explained by Mr. Randall at the Beamsville meeting, and he also explained many of the details concerning the revision of the Educational Act. Mr. Randall was called upon to answer many questions, and answered these to the satisfaction of the representatives. There was no real opposition shown to the area system.

The Grimsby Board of Education, which will become non-existent at the end of December, will have the power to appoint one member to represent Grimsby on the District Board, the second member will be appointed by the Town Council.

NURSES MAKE MANY  
CALLS IN OCTOBER

Made 126 Visits In Grimsby Town And 93 In The Township — 222 Patients Cared For.

During October a total of 836 visits were made to 322 patients which includes 81 new patients admitted during the month, 18 medical patients which includes 5 cancer patients and 2 chronic; 5 surgical, 27 pre-natal mothers, 7 new mothers and babies on return from hospital and 13 newborn infants on return from hospital.

Our obstetrical patients, which includes infants, received a total of 234 visits and 518 to patients requiring bedside nursing and 108 to patients for Health Instructions and advice.

24 visits were made to Bethesda Sanatoria, 19 to M.L.I. patients, 21 to D.V.A. patients and 75 visits to medical and surgical patients on return from hospital, 7 being new patients admitted during the month.

I attended a supervisor's conference in Ottawa for four days which was of great value to me in regard to nursing policies and procedures. Mrs. Bellert kindly relieved for me in my absence. I was also given the opportunity to speak to the Executive of the Lions Club in Grimsby. Miss Ferguson, National Office Supervisor, was in the district from October 1st to 7th and returned for our meeting on October 20th.

Fees collected include 218 paid visits, 133 part pay, making a total of \$469.50. M. L. I. cheque of \$44.25 and D.V.A. cheque of \$38.80 making a grand total of \$552.55.

Calls made in the various parts of the County were as follows:

Grimsby	235
Niagara-on-the-Lake	34
Beamsville	57
A. Grimsby	3
Smithville	42
Port Dalhousie	68
Louth	120
Grimsbly	10

Town

By GORD MCGREGOR

Under bylaw No. 1023 we have just contributed one dollar to the "build a better Grimsby fund." The mere fact that we know this buck stays in Grimsby makes us feel slightly better. Perhaps you were not aware of it, but a parking fine up until a short time ago used to cost the guilty party two skins. The extra dollar going to the J.P. who obtained this for simply signing his name. It is indeed fine that this money has been done away with—no darn Justice's signature is worth a buck in these hard times.

So you motorists should not worry about illegal parking in Grimsby from here on in. Accept your little blue slip with a smile, and in a happy-go-lucky manner, whistle your way up to the Chief and contribute to the "build a better Grimsby" fund. It's real good sport.

It's been quite some time since we got around to this parking problem, which as far as we were at The Independent are concerned, has developed into a bit of a feud. We have three vehicles to look after here, and would gladly park them on our own little two-by-four lot. . . . If some other gent would refrain from stealing the space right from under our windows, so to speak. This, of course, causes great consternation in our ranks, and we have had our book-humper attach nasty little notes to the windshields of these "parking space bandits" in the hope that they will leave our parking lot alone.

It is with regret that we must report a complete failure with our cryptic notes. Henceforth we shall put rocks in their hubcaps, broken bottles under their tires and "I am a Communist" stickers on their windows. Failing this, we shall claim squatter's rights.

To those who have sat down to a meal—or even a minute lunch in a high class restaurant or a two-bit eatery . . . did you lose your appetite when you picked up your fork, prepared to dive into your food . . . and discover yesterday's egg still in evidence?

Heh! Most likely you have. It has a demoralizing effect on your appetite. Well, we note now where the officials of the Ontario government have passed a regulation that requires every restaurant in the province to have, not one . . . not two . . . but three sinks in which to scrape off . . . soak off . . . chisel off or in some manner clean the dishes and cutlery so that they will literally shine like dime store diamonds.

By the Public Health Act of 1947, all eating places opened after January 1, 1948, were required to use three sinks for washing, rinsing and sterilizing the dishes and utensils. Establishments already open, however, were allowed two years in order to make the necessary changes in equipment.

If these regulations are fully carried out, not even the most tenuous egg will have much of a chance of clinging to your fork.

Frankly we do not know the full regulations concerning the . . . shall we say . . . rinsing the . . . plates in the institutions of bend-in-the-elbow. We do know that the general idea seems to be to submerge the crystal in the solution for the shortest possible time.

Every thing that we have nevertheless complaints concerning . . . reckless abandon with which the bartenders douse their glass. Nor have many cases of Hooked Tooth disease been reported. Darned stuff must be pretty potent at that . . . and we do not necessarily refer to the washing of them.

BEAMSVILLE OFFICE  
ENTERED BY THIEVES

Thieves, Tuesday night, entered the Beamsville office of the Niagara Packers, marking the fifth such break-in in recent years of this firm's Beamsville office.

Apparently frightened off before completing their mission, Harry Kennedy, of Niagara Packers' Beamsville branch, reported very little missing. A new wall safe was left untouched by the culprits.

This particular section of Beamsville, near the CNR station, has been the hub of considerable activity by thieves, as it was only a few weeks ago that the office and warehouse of the West Lincoln Growers' Co-operative was entered and ransacked.
